This week's eco-tip : Sign up to the Climate Coalition mailing list to be informed about lobby days, petitions and marches: www.theclimatecoalition.org

Flowers – would you be prepared to put some flowers in church for one Sunday please? We are experimenting with people having a go themselves rather than having a few 'flower ladies' arranging them. It could be in memory of a loved one or to celebrate a birthday or anniversary. You don't need to offer a grand arrangement but some fresh flowers always brighten the church. Please let Marilyn Leach know if you could volunteer and if there is a particular date. Thank You!
